

DisplayPort 1.4 Cable

VESA HDR10 Certified, supports resolutions up to 4K120Hz

4K UHD

Why Use This HDMI Cable?

Resolution: This DisplayPort cable supports resolutions up to 4K120Hz and 8K60Hz (DSC).

VESA Certified: This cable is certified under the Video Electronics Standards Association and is proven to provide optimal HDR lighting to your display.

DisplayPort Advantage: DisplayPort cables can offer a higher resolutions and refresh rates over other digital cables. Deliver high-definition audio and video signals from your computer to a monitor for professional or enthusiast applications.

Covid Part Number

V-DP14
