

# Active Optical Cable Accessories

Compatible Accessories for the Active Optical HDMI & DVI Cables

## HDMI Detachable Connectors

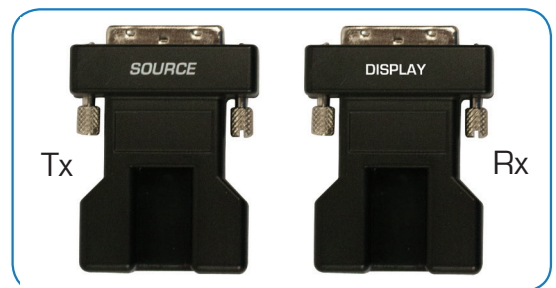

### Covid Part Numbers

Tx Connector- DC-HD-TX

Rx Connector- DC-HD-RX

## DVI Detachable Connectors

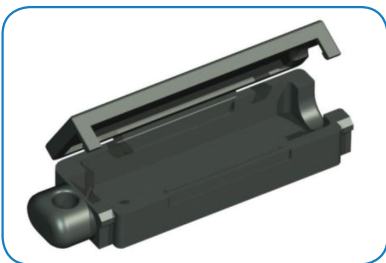

### Covid Part Numbers

Tx Connector- DC-DVI-TX

Rx Connector- DC-DVI-RX

Connectors are interchangeable. Use HDMI or DVI connectors with the same cable.

## Pulling Capsule

Covid Part Number: DC-PC

## Power Injector

Covid Part Number: HD-PI

Use the Pulling Capsule to easily guide cable through conduit or tight spaces. Quickly snaps onto cable ends.

The HDMI to USB Power Injector offers stabilization of the hot pin. It can be used on either the HDMI or DVI cables
