- EDID, CEC, HDCP compliant
- No external power required
- High pulling strength & compression load
- Plenum rated
- 5mm bend radius
- Small, light-weight, flexible and easy to use

Why Use This Covid Cable?

Flexibility: The Covid AOC HDMI cable offers an extremely tight bend radius of 5mm. In addition this cable is thin, light weight and much more flexible than traditional copper cables.

Resolution: The AOC HDMI cable is the perfect choice for high resolution digital video applications. The cable supports resolutions up to 4K@30Hz at 328ft.

Lightweight: These HDMI cables weigh less than copper cables, making them a great option for ease of installation and when shipping costs are a concern.
