

Active Optical HDMI Cable

Fiber-Hybrid/Copper HDMI Cable with Detachable Connectors

Why Use This Covid Cable?

Flexibility: The Covid AOC HDMI cable offers an extremely tight bend radius of 5mm. In addition this cable is thin, light weight and much more flexible than traditional copper cables.

Detachable Connectors: Unique to this cable are the detachable connector heads making it easy to pull through tight spaces or even conduit. Easily interchange the connectors with DVI or HDMI utilizing the same fiber cable.

Resolution: The AOC HDMI cable is the perfect choice for high resolution digital video applications. The cable supports resolutions up to 4K@30Hz up to 328ft.

Specifications

- Detachable, interchangeable connectors
- Supports full 1080p, up to 4K@30Hz
- No external power required
- High pulling strength & compression load
- Plenum rated
- 5mm bend radius
- Small, light-weight, flexible and easy to use
