

Experience The Complete Compression System With Covid's Starter Kit

STARTERKIT

Experience the remarkable connection of Covid's compression connector and tool system with one easy to use kit.

Covid is offering an affordable and convenient way for professional installers to experience the remarkable connection that our compression tools and F-Conn compression connectors provide in one easy to use kit.

Covid's Starter Kit contains a Cable Pro Compression Tool, Cable Strip Tool, and a variety of F-Conn Compression Connectors to create high-quality, custom A/V installations.

Covid designs and manufactures these great products to guarantee our customers are receiving high-quality, superior performance products. Covid's F-Conn compression connectors and Cable Pro compression tools work together as a fully integrated system to create reliable, rock-solid connections.
