

High Speed HDMI Cable

Economy series cable supports full 4K HDMI signal

Why Use This HDMI Cable?

Economical: The economy series HDMI cables offer a more cost-effective high-speed cable choice that supports up to 2160p@60Hz (4K - 18G) resolutions.

Quality: Utilizing a larger 28AWG cable offers more bandwidth capacity versus other cable brands using smaller gauge sizes with their economy line cables.

Construction: This cable is built with a durable over mold and uses high grade materials for optimal cable performance.

Specifications
