

Slim-Line HDMI 2.0 Cables

Slim-Line HDMI 2.0 Cable with Ethernet and Adapter Loop Mounting Point, 32AWG Mini Flexible Construction

Why Use This Covid Cable?

Slim-Line Mini Construction: This cable comes with a Slim HDMI connector and adapter loop mounting point.

Flexibility: Utilizing a smaller 32 AWG gauge size allows for tighter bend radius and ease of installation.

HDMI 18G: The slim-line HDMI cable is a cost effective solution for any high speed HDMI application with support for HDMI 2.0.
