

# HDMI 2.0 Cable with Ethernet

Supports 4K@60Hz up to 16ft, 28AWG, Plenum Rated

## 4K UHD

## Why Use This HDMI Cable?

**Cost Effective:** These cables offer a low cost, short range option for plenum HDMI cables.

**Easy Installation:** These HDMI cables are shipped complete with Covid's Spear-Head Pull System, placing pull stress on the cable strain relief instead of the connector.

**Secure Connection:** These cables feature Covid T-Grip™ Connectors which offer a more secure connection.
