

HDMI Active Hybrid Cable

Supports 8K HDMI up to 100 feet

Why Use This HDMI Cable?

Resolution: These HDMI cables are the perfect solution for high resolution long distance cable runs at 4320p@60Hz up to 100ft.

Flexibility: This cable is a fiber-copper hybrid which allows for a highly flexible, small OD cable with a tight bending radius.

High Speed: 8K-48Gbps end to end with support for DSC (display stream compression).

Covid Part Number

P-HDA30
