

# COM1400

**22/2 STP, 18/2**

**Description** Communications & Control Cable -  
(2) 22 AWG Shielded Conductors and  
(2) 18 AWG Wires - Non-Plenum

## Element 1

### Conductor

Number: 2 Conductor  
Material: 18 AWG (16/30) Bare Copper

### Color Code

Pair#1: Black  
Pair#2: Red

### Insulation

Material: Polyvinyl Chloride

### Overall Diameter:

0.065 in. +/-

## Element 2

### Twisted Pairs

Number: 1 Pair  
Material: 22 AWG (7/30) Bare Copper

### Color Code

Pair#1: White  
Pair#2: Blue

### Insulation

Material: Foam Polyvinyl

### Shield

Aluminum/Polyester Tape 20% Overlap  
Drain: 24 AWG (7/32) Tinned Copper

### Overall Diameter:

0.102 in. +/-

## Construction

### Conductor

Elements 1 & 2

### Jacket

Material: Polyvinyl Chloride  
Color: Black

### Overall Diameter:

0.250 in. +/-

### Approximate Weight

40 lbs.

## UL Listing

Type CM as Specified in Article 800 of the  
National Electric Code.
