See our website for more information www.covid.com

FEATURES:

- High mechanical strength and superior fatigue & durability
- 10,000x the bend of standard fiber
- Simplified termination process designed for ease of use
- Ultra low Attenuation loss on tight bend radius

PART #	PART DESC.	FIBER COUNT	NOMINAL DIA.
CLR-DM3-3P-XXX	Duplex Plenum	2 Fiber /s	3.0mm x 2
XXX= Length | Available in 500' Box and 1,000' Box 500' Box = CLR-DM3-3P-500B | 1,000' Box = CLR-DM3-3P-1KB			

Fiber Connectors

LC Type   **SC Type**

FEATURES:

- Terminate in as little as one minute
- Compatible with 900µm 2.0 and 3.0mm cables
- No crimping or proprietary tooling required
- Easy fiber insertion with VLgroove channel

PART#	PART DESC.	COLOR	PACK SIZE
CLR-LC-MMFPC-10	Multimode LC	Aqua	10 Pack
CLR-SC-MMFPC-10	Multimode SC	Blue	10 Pack

Basic Fiber Termination Kit

FEATURES:

- Tool kit carrying Bag & Strap
- Precision wheel fiber cleaver
- Aramid strand scissors
- Tri-hole fiber strippers
  - Visual fault locator
  - Fiber disposal unit
  - Black marker
  - 50mm ruler
